

# 2020 Fall DRIVE

It is time for our fall drive to collect supplies for our homeless students in the school district. From September 8 through October 18 we'll collect some of the most-needed items according to the Liaison for Homeless Services. We invite you to get involved by donating or dreaming up ways to support the cause.

Our focus for this drive is:

**New Hoodie Sweaters** (Sizes 3T to 14)

In preparation for Fall Back to School!

Due to storage issues, we can only accept new clothing items.

## **Financial Donations:**

We accept checks and cash donations through our non-profit 501c3 sponsor. Donate online at <https://form.jotform.com/cordovacouncil/coc-donations> , or make checks payable to “Cordova Community Council” with “Project 680” in the memo and send them to our drop-off locations. Financial donations are especially needed this year to help address distance learning issues for homeless students.

## **Drop-Off:**

You can drop off any donations to City Hall in Rancho Cordova or locations listed on our web page ([www.project680.org](http://www.project680.org)).

For More Information – contact us at our Facebook page ([project680](https://www.facebook.com/project680))
